## FROM THE GARDENS

TO YOUR CUP

The Tea Contained in the Sealed Lead Packages Labelled

Is not touched by the human hand while being packed, and the lead packages prevent impurities of any kind getting into it; then, "SALADA" is ALL TEA, no dust. We have a machine in connection with our plant that takes every particle of dust out of the tea and disposes of it. From the above you will understand why "SALADA" is so pure.

All grocers sell "SALADA," either Black, Mixed or Green, in the following grades:

GOLD LABEL 70c PER LB. RED 60c PER LB. BLUE 50c PER LB. GREEN " 40c PER LB. BROWN " 30c PER LB.

GUARANTEED ABSOLUTELY PURE AS REQUIRED BY THE PURE FOOD LAWS OF 1907.

## The Times' Daily Short Story.

Chasing a Russian Assassin.

Ivan Lemsky, an engineer on the railroad running between Moscow and Odessa on the Black sea, was known by the revolutionists to be in the pay of the police. Once or twice "politihad begged him to conceal them on his engine and take them to Odessa, where | the train or the engine. they could embark. One had tried to bribe him. Invariably the engineer his door and a well dressed young man with light hair and blue eyes stepped

"I wish to go south to Odessa on tomorrow's 11 o'clock train. You, I am of the ezar a thousand rubles." told, run the engine of that train. Will you slow up just beyond the limits to the furnace, and, with increased enable me to get on? It will be very steam, the engine bounded over the easy for you and would be worth a rails like a comet. The officer had a hundred rubles to me."

would be too risky. The next morning Lemsky when he loc went to the roundhouse dropped in on train. Then the officer of police orthe police and informed them that a dered the engineer to pull on, suspicious character had tried to bribe "But I thought you wanted to catch him to slow his train that he might this train," said the engineer, get on. The police ordered a couple of "I did-and pass it. Pull on!" thundetectives to go on the train and watch | dered the officer. for the suspicious character as described by the engineer.

At half past 10 o'clock a report was at the same terrific rate as before. heard in the governor's palace and "Now for Odessa," said the officer. attendants entering found the governor "We must reach it by 10 o'clock toblown to atoms.
